Todd Glaser, UWEC
Head Football Coach

[Todd Glaser](#) just completed his second year as the head football coach at UW-Eau Claire. The Blugolds finished with a 9-3 record (5-2 in the WIAC conference), and received a bid to the NCAA Division III playoffs... the second such bid in the school's history. Glaser played for the Blugolds from 1987-1990, and since then has held a variety of assistant and head coaching positions at both the high school and collegiate levels.

Accompanying Glaser to our meeting was Assistant Coach and former Blugold star player [Cary Osborn](#)

With a significant number of his 100 player roster returning for the 2008 season, Glaser is optimistic that his team will take another step forward in the WIAC conference, which many believe is the toughest Division III conference in the country.

Glaser believes that his team's success is the result of the character and work ethic of the players and coaches that are UWEC football. He encourages hard work in the classroom, in the training room and on the field, and he requires community involvement.
