

Club Assembly Summary by President Sara Antonson July 11, 2011

(Note: Thank you to Sara Antonson for providing this Program Summary)

At our Monday July 11 meeting, we had an opportunity to have our first Club Assembly of the new Rotary year.

First, I'd like to thank **Jerry Reinecke**, our Club's Treasurer, for providing a brief financial report, including information on our club's fund balances and some of the major financial statement line items. As a reminder to all of you, the financial statements, donation reports, board meetings, and much more, are published in the "For members" section of our club's website, www.eauclairerotary.org. If you do not remember your login information, please contact Jerry and he will get you set up. In addition, we welcome your input and feedback as to what additional information you'd like to see on our club's website.

Thank you so much for the great discussion we had. Here are a few highlights.

Programming

- As suggested, we will be creating a rotating schedule for members to assist in setting up programs.
- IMPORTANT – If you would prefer not to set up a program, please just tell us and we will move to the next person on the list.
- Program topics will include:
 - City & County updates.
 - Community & Civic updates.
 - Current Issues.
 - Re-classification talks (these will be set as a regular part of programming).

Weekly Meetings

- The business meeting will begin promptly at 12:20 each week. If you would like more networking time, we encourage you to arrive a little earlier.
- The speaker will be introduced no later than 12:40.

Again, I'd like to thank everyone for their participation. I'm looking forward to a great Rotary year!
